I Don't Like It, Needs Improvement - How?

I Really Don't Like It - Why?

## OBJECTIVES:

The following list reflects some of the objectives for the Copia focus area expressed by the community and members of the Downtown Steering Committee throughout the outreach process.

- Retain existing Copia building for reuse as education or conference center facility
- Preserve gardens
- Develop with lower intensities than Downtown Core
- Create a hotel or housing opportunities
- Incorporate public amenities like the River Trail and access to the river
